

Farming is More Than a Job... It's a Way of Life!

The loan professionals at Community National Bank & Trust understand that operating a farm can be difficult at times. They also know the type of agriculture loans that farmers in our area need.

Whether you need a loan for additional land, a home, livestock, equipment, agriculture operating or vehicles, our loan professionals can find the loan type that best suits your needs. They will also offer competitive rates and terms that match your farming operation. Stop by today and talk to us about our agriculture loan programs.
