AMAZING THINGS

Donors Have Made Possible

Look how much good a gift to the CRMC Foundation can do!

We Value Our Patients

CRMC is committed to providing the best quality care to our patients and their families. Over the past year the CRMC Foundation has provided support to EMS, Surgery, Women's Health, Medical Imaging, and various employees wishing to enhance their training and education.

We Encourage Education

Annually the Foundation supports local students and CRMC Employees through the Dr. Stephen Ellis Memorial Scholarship, the Best Family Scholarship, and the Han Family Endowment for Education.

We Honor Our Loved Ones

Each Holiday season the Tree of Hope provides opportunities to honor and remember our loved ones who have been affected by Cancer. This year the Tree of Hope can be found in the Jerry Marquette Radiation Oncology Center.

We Plan For Our Future

The CRMC Medical Imaging Department is upgrading their equipment to include a 3D Mammogram and state of the art multi-purpose fluoroscopy. The Foundation was awarded \$250,000 in Tax Credits* from the State of Kansas to support upgrades to Medical Imaging. Donors are encouraged to contact the Foundation to learn more about Tax Credit opportunities.

We Support Coffeyville Regional Medical Center

Since 1984 the CRMC Foundation has supported the mission of the hospital through planned giving, securing federal and regional grants, fundraising, and the support of the people we are honored to serve.

Best Family Medical Scholarship

Jami Vineyard, RN. Women's Health, received a scholarship through the CRMC Foundation this year.

Each year the family awards a \$1,000 scholarship to an area student. Recipients of the scholarship must be in a medical field of study who are also from the 4-state area. The scholarship was established by the family of Jerry and Norma Best, in memory of their father and in honor of their mother.
