

We are the Bartlett Co-op...

...and we're proud to be in the SEK!

The employees at our locations strive to make you our number one priority. Whether you're needing fertilizer, propane, fuel, feed, a hay trailer, grain, or some delicious food, each location has specialty services to offer you.

We will do our best to satisfy all your agricultural needs, whether it's a product we carry or a service we offer, don't be afraid to ask about it. We aim to keep our towns and your operations thriving, and we are lucky to be part of such a supportive community.

From wheat harvests to county fairs and everywhere in between, you have made us the business we are.

Thank you for helping us make the Bartlett Co-op a place where neighbors are always present and friends never leave.
