

COFFEYVILLE COMMUNITY COLLEGE

Coffeyville Community College and Cloud County Community College have been the sole representatives of Kansas community colleges to make the Top 150 list in the past two years. This achievement not only reflects the high quality of education provided at CCC but also the collaborative spirit within the Kansas community college system.

TOP 150

2025

"We are truly honored to receive this recognition and be included in the ASPEN Top 150 list again," said Dr. Marlon Thornburg at Coffeyville Community College. "Our dedicated faculty and staff work tirelessly to provide our students with the best educational experience, and this acknowledgment validates their hard work and commitment." The next step for CCC is to complete the application process and apply for the ASPEN Prize with the opportunity to win the \$1 million prize.
