

Pre-Sorted & Packaged Daily Medicines –

***Riggs Drug Can Do It At No Additional Cost –
Right here at home!***

You don't have to have them mail ordered. Deal with who you know and trust for all your prescription needs.

With our pre-packaged system, your medications are pre-sorted & packaged by day for you. No more filling up weekly pill boxes – we do it all for you in convenient blister packs marked per day or by time of day.

This goes hand in hand with our synchronization program that we already offer - to get all your meds at once on the same day of the month.
