Altoz-TRX-The Worlds 1st Zero Turn Track Mower.

- First of it's kind technology
- Mow where others can't
- Conquer Hills with ease
- Patented Suspension System

- Multiple Deck Options – Include rough cut deck
- Superior Maneuverability & Traction
- Minimize Ground Disturbance

ENGINES

It is the unique combination of the large engines, Hydro-Gear transmissions and TRX track system that makes the TRX one of a kind and allows it to go where no traditional zero-turn mower has gone before.

- Kohler Command Pro[®] EFI
- Vanguard[™] EFI
- Hydro-Gear[®] Transmissions ZT-5400
- 11" Wide Rear Track
- 10mph Speed

TRACTION & STABILITY

The TRX track system and rear torsional suspension work together to deliver maximum traction for stability, low ground pressure for minimal compaction an industry-best ride.

CUTTING WIDTHS

61" Kohler Command Pro EFI 33hp

66" Vanguard EFI 37hp
