

MORE PERFORMANCE. MORE COMFORT. MORE FLEXIBILITY.

Getting the job done means working the whole day, every day. When it's time to get to work, the Utility Farmall® C tractors from Case IH offer the power and flexibility to get the job done. They feature a heavy-duty 3-point hitch; high-capacity, responsive, dual-pump hydraulics; and an independent PTO — to support a full suite of implements and attachments. The fuel-efficient Tier 4 B/Final emissions complaint FPT 3.4-liter 4-cylinder engine is electronically controlled, turbocharged and after-cooled for quick throttle response. With six available models range from 64 to 117 horsepower (50 to 99 PTO hp), they are more than ready to do their part to makes those long hard days a lot more productive.
